

PURSUIT

2019 Cabernet Sauvignon

Given our Napa Valley roots, Pursuit Cabernet is, and always has been, the hallmark wine of this project. It continually finds itself in the discussion for one of the best overall values in wine today, as our sources, though they must remain nameless, are some of the best producers in the domestic wine world. Supple and juicy in approachable layers of currant and black cherry, this wine offers a thread of acidity throughout an otherwise intensely ripe, robust weight. The tannins lean supple, with an accent of clove on the lengthy finish.

Alcohol %:	15.5
