## 2019 LITHOLOGY “BECKSTOFFER – TO-KALON VINEYARD” CABERNET FRANC

Another powerhouse wine from the famed Beckstoffer To-Kalon vineyard. A very deep, saturated purple color, almost black in fact, greets you as you gaze into this wine. The nose has a remarkable intensity. This vintage welcomes you with heady floral aromas as if you're sniffing from the middle of a bouquet of wildflowers. Hints of dillweed, sage, and toasted hazelnut linger as well. At first sip, you're greeted with candied apple, red licorice, pomegranate, anise and dried rosemary. This is a complex wine with additional flashes of grapefruit, conifer, and black plum skins. Full bodied, but not overpowering. The fine tannins coat your entire mouth. This is an incredibly sexy wine.
